

THE CARVALHO CONSULTANCY

SUPPORT | INSIGHT | STRATEGY

How to persuade and influence people (without them knowing you're doing it!)

part of the *Psychology of Family Law* series

Frustrated by clients not following your advice?
Find it hard to persuade counterparts of your point of view?

This interactive seminar will teach you how to:

- create collaborative relationships with clients and counterparts
- evoke people's motivations to change without directing them
- work with resistance
